

## IN-ROOM DINING MENU

In-Room Dining is provided by our in-house restaurant Lobby at TWELVE. This is a gathering place for those who want chef-inspired, traditional American food with a contemporary twist, in a vibrant, casual environment. The restaurant's design includes an open kitchen surrounded by two dining areas. A hickory-embossed, wood-burning grill and pizza oven serve as the backdrop for the bar, which is open to the hotel lobby. The flow from restaurant to bar to hotel lobby creates an exciting, kinetic atmosphere for guests, residents and the public alike.

However, with our convenient In-Room Dining, you can also enjoy Lobby at TWELVE's culinary fare in the comfort of your own room. As with many of our services and amenities at TWELVE, we have a unique and different approach to In-Room Dining. Your order will be presented and delivered in attractive and convenient packaging that will allow you the option of dining at your leisure. Tableware and flatware are provided in every suite for your dining convenience.

You can request In-Room Dining Service through GHOST or by contacting In-Room Dining directly at extension 1035.
